

WE NEED YOUR FEEDBACK!

We need your feedback on our course information and advice service so that we can continue to improve it.

Your tutor will ask you to spend a couple of minutes completing a short survey of 4 questions which require only a Yes, No or n/a (not applicable) answer. Please feel free to add any comments.

The questions focus on recent developments in our service:

- **Learning in the City – the course guide of the new Adult Skills and Learning Service (ASLS), which offers courses in more than 20 learning centres around Leicester**
- **www.lasals.co.uk – the new ASLS website, which features an online course finder, with contact details for your local centre**
- **Course Information Sheets (CIS) – the new CIS format is designed to answer your questions about available courses and help you choose the right one for you. CIS are available on www.lasals.co.uk or from your local centre.**

The results of the survey will be published in ASLS learning centres and on www.lasals.co.uk.

The questionnaire and survey results can be made available in other formats on request.
