

Ceramics for Beginners

What is the course about?

This course is ideal for those of you with little or no experience of ceramics. You will be introduced to the basic ceramic techniques used in making pots and sculpture and also learn how to decorate these using slips and glazes.

What will I learn?

Different ceramic techniques such as slab building, coiling and throwing. Slip decorating and glazing will also be covered.

Entry Requirements

None needed.

What will I need to bring with me?

Nothing

How will I learn?

By watching demonstrations and doing practical work with guidance and explanation from the tutor.

How will my learning be assessed?

Your work will be evaluated and you will have regular discussions with the tutor. You will have a record of your own progress.

What qualifications will I get?

There are no qualifications with this course.

Are there any extra costs?

No

What can I do next?
