

Learn To Play The Guitar

What is the course about?

This Course will enable you to learn the basics of playing the guitar, learning the chords, finger plucking, strumming and solo playing. The sessions are relaxed and self expression through music is encouraged.

What will I learn?

On successful completion of this course, learners should be able to:

- Hold a guitar properly
- Know the basics of guitar playing, ie; the strings, frets, fingering, tuning.
- Read music in various formats, ie; tab, diagrams, stave.
- Play chords and chord progressions
- Learn to teach myself music pieces and songs on my own.
- Play as part of a group.

Entry Requirements

Learners will have ideally attended the Guitar for Complete Beginners course

What will I need to bring with me?

Guitars are provided however learners are strongly encouraged to have their own guitar so they can practice at home.

How will I learn?

The following teaching methods (ways of supporting learning) will be used during this course: demonstration, one to one and group work, discussion, improvisation, working in pairs and as part of a group, hand outs and diagrams

How will my learning be assessed?

Learners' progress and achievements will be recognised and assessed in the following ways: self assessment forms to record progress, observation and tutor feedback and audio recordings, performance (formal/informal) and individual record of progress and achievement.

What qualifications will I get?

No qualifications available

Are there any extra costs?

No

What can I do next?

Learners could progress to guitars for confident players and songwriting/confidence through music
